There is a requirement for each member of the incorporated body to nominate a person within the Company who will be the representative of that Company and be entitled to vote at the Annual General Meetings (Article 5). Another person can vote, if necessary, under the arrangements of proxy voting.

As detailed in the Articles of Association, the cost of membership is pro-rata for companies joining mid-year. Companies joining after June agree to BAMA membership for the following full calendar year at the time of joining.
