

Associate Membership Proposal

- For companies and organisation indirectly involved in the aerosol industry such as research agencies, apprenticeship organisations and training companies
- Charities and educational institutions who can offer services or advice to BAMA or our members
- Trade magazines
- Other trade associations and not for profit organisations

Excluded

- Any company which is actively trading, or looking to trade, in the aerosol sector and who have a turnover which would be declared in a normal membership application

What they get

- There will be charge £250 for Associate Membership
- BAMA will create a dedicate Associate Membership page on its website in a similar format to the Member pages
- Associate members will be able to attend BAMA Member-only events (such as the Forum) at the Member rate or have a free tabletop at the Innovation Day
- Associate members will be able to attend BAMA training courses at the Member rate
- BAMA publications would be at the non-Member rate
- They will not have access to the member only pages on the website
- They will be able to contribute to BAMA publications, such as Aerosol Focus and be invited Committee Meetings in a “guest” capacity when subject requiring their specific expertise is required
