BAMA Awards 2022

The BAMA Awards recognise and promote the high standards achieved by the UK aerosol industry.

The BAMA Awards will be presented at our Annual Forum & Awards Dinner. The Dinner is open to both BAMA members and non-members and takes place on Wednesday 12th October 2022 at Cheshire's Country Estate, Carden Park.

The event will showcase some of the latest innovations and highlight many of the success stories within the UK Aerosol Industry. It is a wonderful social occasion as well as a great networking opportunity and all guests are encouraged to invite other colleagues, customers and suppliers.

REWARDS include:

The winner of the four main categories will receive a

£500 VOUCHER

with the runner-ups winning a **£250 VOUCHER**

For it's 2nd Year

**Aerosol in Action
Photography Award**

(See rewards, terms and conditions inside)

BAMA Awards 2022

The winners will receive:

- A trophy and certificate
- A customised BAMA Award Winners logo to use on your website or letterhead
- Extensive coverage in BAMA newsletters and on social media
- Regional and trade press releases
- Extensive coverage of your award entry
- Coverage on the BAMA website with links to your company site

Also, for the four main categories: a prize worth £500 for the winner and £250 for each runner-up.

See page 7 for details.

Entry Requirements

Please also refer to Rules of Entry.

The closing date for entries is 5pm on 31st August 2022.

The following must be included with this official 2022 entry form:

- **Full description.** Executive Summary on no more than four A4 pages (typed in 12 point font with single line spacing). Please explain how your product/company meets the criteria for the Category you have entered.
- **Samples/designs.** If sending by post, at least five samples/designs of supporting evidence or documentation of the entry (including product samples if applicable) must be provided. If providing manuals as part of your supporting evidence, please do so on a USB stick complete with a summary of the manual. High resolution photographs which show the project/products must also be provided.
- **Any supporting documentation.** Entrants should include in their report details of their involvement in the work submitted and all participating parties should be acknowledged, e.g. outside designers.
- **Photographs/images.** Photography must be high quality, suitable for use in any publicity material (press packs and presentation at the Awards ceremony). Please do not write on the back of photographs as this will damage them; rather print captions on labels and place these on the reverse of photographs. Alternatively, a USB stick of all photography (saved in PC jpeg format at 300dpi) can be submitted. Images must be high resolution.

Remember, the judging will be based upon your written entry, so please ensure you provide all the Entry Requirements requested on these forms.

The closing date for entries is 5pm on 31st August 2022.

BAMA Awards 2022

How to enter

Complete the attached entry form for each category you are entering and please e-mail the completed form with the relevant support material, as outlined in the entry requirements.

Award entries should be e-mailed to:

bamaadmin@bama.co.uk with 'BAMA Awards' in the subject box.

Supporting materials should be sent to:

BAMA Awards – 2022

British Aerosol Manufacturers' Association
1 Viewpoint, Office Village
Babbage Road, Stevenage
Herts SG1 2EQ

Remember to clearly label all supporting materials sent via post with category/contact details as well as the title of entry. All entries must arrive by 5pm on 31st August 2022 at the latest.

The Awards will be presented at the Awards dinner during the BAMA Forum on the 12th October 2022 and details of all the shortlisted innovations will be presented before the winner is announced.

Rules of Entry

1. Only BAMA members may enter the BAMA Awards, however they may enter products on behalf of their customers, clients or subsidiaries.
2. The Awards will be made only on information presented in the official entry or from specific information requested by judges in the short-listing phase of judging. BAMA accepts no responsibility for inaccurate or misleading information issued when using this information. The Awards do not constitute an endorsement or approval of a policy, a programme of activity, a product, container, valve, or any part of the package, nor do they constitute a determination that the packaging or labelling meets any national laws or regulations.
3. The entry submitted must be the work of the company(ies) named on the Entry Form, or their customer, client or subsidiary.
4. Any aerosol made in the UK, but sold anywhere in the world, from 1st January 2021 can be proposed for New Aerosol of the Year.
5. All entries must be made using the official Entry Form, which can be found on page 5, and address the criteria in the relevant Award Category;

Please submit product samples/designs (if applicable), some photographs which show how the product or service addresses the judging criteria; and any other documentation, such as technical specifications, plans and diagrams which may assist the judging. All participating parties should be acknowledged, e.g. design agencies or other consultants to the project.
6. Entrants must have regard to the regulations on the posting of aerosols.
7. No late entries will be accepted.
8. Entries and supporting material will not be returned so please ensure you have a duplicate of the entry for your own records.
9. Companies may enter as many categories as they wish. BAMA reserves the right to re-allocate an entry into a more suitable category and/or place entries in more than one category. BAMA reserves the right to publicise both the Awards and the winning, or short-listed entries.
10. It is the responsibility of the entrant, if desired, to protect any aspects of the entry by copyright or applicable patents.
11. It is the responsibility of the entrants to ensure that their entries and supporting information arrive on time and in good condition.
12. BAMA accepts no responsibility for entries which arrive late or damaged.
13. The judges' decision is final and no correspondence will be entered into.
14. BAMA reserves the right to add, remove or modify any Award Category if the need arises.
15. By entering the BAMA Awards, entrants agree to BAMA and its agents using the entry as part of the Association's marketing and communications including information, images, diagrams and other aspects of the entry.
16. Entry into the Awards will be taken as acceptance of these rules.
17. Winners will be announced, and prizes awarded at the BAMA Forum and Awards Dinner, at Carden Park, Cheshire on 12th October 2022.

The closing date for entries is 5pm on 31st August 2022.

BAMA Awards 2022

Judging process and criteria for BAMA Awards 2022

(Please read in conjunction with Rules of Entry)

New Aerosol of the Year

Any aerosol made in the UK, but sold anywhere in the world, from 1st January 2021 can be entered. Judges will be looking for innovation in formulation as well as technical improvements in function, design and dispensing. As well as a trophy and certificate the winner of this category will receive a £500 voucher with the runner up receiving a £250 voucher.*

Process Safety & Training

For Process Safety & Training the judges will be looking for demonstration of new/innovative systems introduced since 1st January 2021 that have improved either the effectiveness/productivity of the company or/and benefited the safety or improved the training of its employees.

For Information: The judges will be looking at the types of training available for staff and the tangible benefits relating to training, including any HR initiatives. Examples of successful apprenticeship schemes and other training/work experience plans may be included. Entries are not required to cover all aspects of this Award in one submission. As well as a trophy and certificate the winner of this category will receive a £500 voucher with the runner up receiving a £250 voucher.*

Sustainability

Entrants must show sustainable benefits in their entry in one or more of the aspects of social, economic, environmental or human relations. There should be a tangible measurement of success or predicted success over time.

For this category, the entry does not have to be aerosol related but could include corporate social responsibility activities run within the company, nationally, internationally or within its local community. However, where a product or products form the basis of the activity, such products must be aerosol related.

The judges will also be looking for examples of member companies reducing their carbon footprint including, for example, reduction in use of energy, water, or materials; reuse and recycling; as well as examples of innovative ways of running its logistics or manufacturing programmes that improves the entrant's environmental impact. As well as a trophy and certificate the winner of this category will receive a £500 voucher with the runner up receiving a £250 voucher.*

Aerosol Packaging

Judges will be looking for improvements to the container, actuator, valve, surface design and shape. Any aerosol made in the UK, but sold anywhere in the world, from 1st January 2021 can be entered. As well as a trophy and certificate the winner of this award category will receive a £500 voucher with the runner up receiving a £250 voucher.*

BAMA Awards 2022

Aerosols in Action Photography

Member companies are welcome to submit a relevant image of a product or process which illustrates the theme of "Aerosols in Action". This competition is designed to inspire a new image and improve public perception of the aerosol industry, using photography. Your images should reflect the various aspects of our industry, from concept, through design and manufacture, marketing and how the finished product is used, not forgetting its eventual disposal.

All entries will be reviewed by our judges and a selection will be shortlisted, the judges will be looking for good quality images, in high resolution, with a clear balance of elements and displaying a positive image of our industry.

Each shortlisted entry will be exhibited on Day 1 of the BAMA Forum on 12th October 2022. Each attendee will be invited to vote for their favourite image through a secret ballot and the winner will be announced at the Awards Ceremony. The winner of this category will receive a trophy and a certificate as well as a one year membership of the Guild of Photographers, which includes its magazine www.photoguild.co.uk. The winning image will be used as the front cover of BAMA's Annual Report 2022/2023. All runner up images will be awarded with a certificate and the images will be used within BAMA's Annual Report.

Copyright

No copyright is transferred in respect of any images entered. By submitting an image you agree that BAMA can display, distribute, publish and alter any of the images, for publicity purposes and in their activities to promote and support the UK aerosol industry. Where necessary, entrants must have permission from the client and the photographer to submit the image, the entrant shall be deemed to warrant that they own the entire copyright to the image. The entrant undertakes to indemnify the organisers, their partners and sponsors of the Aerosol in Action Photography Competition in respect of any breach of the above warranty.

Based on experience from previous years, BAMA strongly recommends that those entering the Aerosol of the Year Award or the Aerosol Packaging Award make every effort to have product samples sent to the BAMA office by 5pm on the 31st August 2022 so that the judges can handle the product during their deliberations. For any further clarification or information email: bamaadmin@bama.co.uk

* Vouchers have no face value, cannot be exchanged for cash equivalent are non transferable and can only be used to buy BAMA's goods or services. They must be used in one transaction although more than one good or service can be acquired. No refunds or credit given if whole value not used and if goods or services exceed the voucher value payment must be made for the balance at the time of transaction. Vouchers must be redeemed by 31st December 2023.
